

“She Loves Her Sister’s Smile!”

“I chose Dr. G’s office for my younger daughter, Nikki, because she loves her big sister’s smile!” says mother, Jody Arbanas. “I first met Dr. Gulland in 1991 when my oldest daughter, Renee, had a severe bite problem. He was willing to sit down with me and work out a feasible plan. Dr. G is such a perfectionist! He has an excellent educational background and is the most up-to-date orthodontist in our area.”

“Renee felt much more confident after her braces and the beautiful end results increased her self-esteem,” notices Jody. “My smile allows me to look others directly in the eye. My confidence shines when I flash a beautiful smile. I don’t feel like I have to hide my teeth or be ashamed, I can let my confidence shine.” says Renee.

“I always enjoyed my

appointments with Dr. G.”, remembers Renee. “His staff made me feel welcome every time I walked through the door.” Her little sister, Nikki, says the same thing. “They are very friendly and make me feel very comfortable.”

“We refer everyone we know to Dr. Gulland. His results are the best!” concludes Jody.

If you want a healthy, attractive smile for yourself or your child, call our office today for a complimentary initial examination.

Let’s discuss your options together. Treatment is affordable; we make payment arrangements and we accept assignment of most insurance.
